

Home Reading Helpers

Dear Parents and Carers,

The Home Reading Program is an important element of our early literacy strategy. A vital role that parents can assist with is changing over the home readers. We are asking that **two-three** parents come to the home reader storeroom in the afternoon **at 2:15 pm** and exchange home readers for the students to consolidate their learning at home.

There will be 6 ½ classes needing books to be changed.

Classes K/**1O, 1S, 1B, 2B and 2/3F** will need their readers changed this term, we are hoping in week 10 due to 3 Way Interviews.

All kindergarten classes, KN, KF, **K/1O** will start their Home Reading journey in term 2.

Due to the small storage room, we can only have **two-three** parents swapping books on each day.

If you have **30-45 minutes on a Tuesday, Wednesday, Thursday or Friday afternoon from 2.15-3.00pm** to swap home readers, we would appreciate your time. This would need to be a regular commitment as the home reading program relies on the students being exposed to numerous books. If there are several volunteers interested in helping to change the home readers, we will look at scheduling your time for only a term (10 weeks) at a time. You will be required to complete a Working with Children Check (WWCC) available at the office prior to commencing volunteer opportunities at KPS.

Parents will be required to sign into the site by signing in at the office using the electronic register.

Please return the slip below by **Monday 21st March**. Once the volunteer slips have been collated, we will have a brief meeting in the afternoon of **Monday**

28th March at approximately 3.15pm where staff can explain and demonstrate how to change readers, where to put returned readers and helpers can coordinate the term most suitable.

Thank you for offering your time to assist with supporting the students at Kahibah Public School.
